**Re: *Applications of Comcast Corp., Time Warner Cable Inc., Charter Communications, Inc., and SpinCo for Consent to Assign or Transfer Control of Licenses and Authorizations, MB Docket No. 14-57***

Dear Ms. Dortch:

On Monday April 20th, Brian L. Roberts, Chairman and CEO of Comcast Corporation (“Comcast”), spoke with Chairman Tom Wheeler regarding the Comcast-Time Warner Cable transaction. Mr. Roberts noted that the detailed, substantive filings made by Applicants throughout the pendency of the transaction provide substantial record support for the Commission to conclude that the transaction is in the public interest and approvable. He reiterated Comcast’s record statements that this transaction will not result in any reduction in competition, that it is good for consumers, and that Comcast is eager to deliver the transaction’s many unchallenged benefits to them. Finally, Mr. Roberts emphasized that Comcast, as it has proven in prior transactions, will live up to the commitments it has made in the docket – all in furtherance of delivering the best-in-class service to its newly acquired customers.

Please direct any questions to the undersigned.

Respectfully submitted,

/s/ Kathryn A. Zachem
